Aloha Pacific Radio Group Ohana,

I feel that it is only appropriate that we express our gratitude for the time and attention that you have provided to our company in the past few weeks.

It has to be said that in the years of advertising our business, Radio Marketing was never in our minds, but has now opened our eyes, and ears, to what's out there for businesses. In the 3 weeks that we've been advertising with Pacific Radio Group/Native FM, our sales have increased by 20%! For Big Island Satellite, that's AWESOME!

I must say that our experience with your company was anything but a bad experience! Everyone has welcomed and helped us with ALOHA. I cannot say enough how great it is to work with you, as well as Eileen Jonath.

Look forward to continuing doing business with you!
